Membership Form

West Virginians for Better Transportation is a non-profit qualified organization set up to help educate West Virginians on the operational, improvement and expansion needs of the transportation System in West Virginia. It will also, educate West Virginians on the status of resources required to meet these needs. Signing up as a supporter is **FREE** and shows that you agree that a healthy transportation system is vital to all West Virginians. As a supporter you will also receive updates and news about WVBT via email.
